MANCHESTER EXCHANGE DAY

Our Exchange Days are reliable!

Each year we hold 6 national events attracting agencies and adopters from all areas of the country.

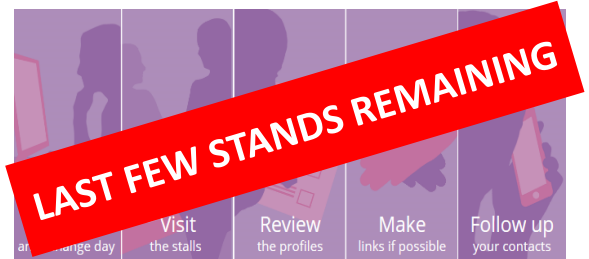

Our Exchange Days are popular!

Stands get booked quickly and we attract a healthy number of adopters for each event.

Our Adoption Exchange Days work!

So far this year (2016/17) we have seen a **24% increase** in matches compared to the same period in 2015/2016. A fantastic **106** of the matches have been through Exchange Days.

Look familiar...12345...password?

Many of us are still using the most simple passwords when logging on to our most used systems. Recent advice tells us not to reuse passwords, to make passwords from a combination of numbers, letters and characters and even sentences. **But the best advice is never share your logon details.**

Please remember that by using the Adoption Register you are agreeing to the following terms and conditions:

- I confirm that I am a practitioner from an Ofsted-registered adoption agency using the Adoption Register for England to actively search for adoption matches.
- I will not share any information that I obtain as a result of using the Adoption Register for England with anyone other than securely with an individual within my adoption agency.
- I will inform the Adoption Register for England about the theft, unauthorised sharing or loss of a document or any other item which contains information received as a result of using the Adoption Register for England.
- I will not share my login details with any other individual(s).

Practitioner Access to the Adoption Register

We have opened up access to the Adoption Register to all practitioners. This exciting development means all practitioners can now:

- ✓ View links made by our team of dedicated Regional Business Partners
- ✓ Upload your own child and family referrals
- ✓ Make change requests to existing records
- ✓ Run your own searches

If you are a practitioner and you have not yet requested your login details, please contact our team on 0345 222 9015 to find out how to get your login details.
